| Onsite Installation & Training (North America only) | ✗ | ✗ | ✓ Training |
| Expedited Repairs | ✗ | ✗ | ✓ 24 Hours |

Notes:

- Expedited repair time starts the business day after product is received and ends when shipped to customer.
- Basic and Premium Warranties are available in North America only.
- Customer is responsible to inform Kent Scientific when making a warranty claim.
- Extended warranties purchased after the original system sale are subject to approval. It may be necessary to have the controller returned for inspection before the purchase of the extended warranty.
